APPLY

**Submit your
application
[here](#) ↗ until
1 November**

QUESTIONS?

Contact [Aglaia Koutsodimou](#) ↗ and [Aikaterini Meliou](#) ↗
for further information.

WHAT IS PARC?

The [Partnership for the Assessment of Risks from Chemicals](#) ↗ aims to develop next-generation chemical risk assessment to protect human health and the environment. It supports the European Union's Chemicals Strategy for Sustainability and the European Green Deal's “Zero pollution” ambition with new data, knowledge, methods and tools, expertise and networks.
